Dear Todd,

Thank you for your continued support of the Autism Society of Southeastern Wisconsin through your latest donation of \$10,000.00 raised through the GM-AC golf outing. Your ongoing support helps us develop, maintain, and expand our programs and services as the needs of our community grow.

We strive to increase public awareness about the day-to-day issues faced by people on the autism spectrum advocating for appropriate services for individuals both as children and adults. The need for effective and reliable support services and programs for those that are affected by autism grows every year as the autism rate is now 1 in 68. Your gift and the support of people in southeastern Wisconsin are what make it possible for us to expand and enrich the services we provide to people affected by autism.

Thank you again for your continued support.

Sincerely,

Emily Levine
Executive Director

Todd,

Thank you for your incredible work that went into the 2014 Ladies' Night. It was a wonderful evening as we raised money to benefit the students in our great schools. From the raffle to the silent auction to the laughter heard throughout the evening, it was a wonderful night. Again, thank you for your hard work that went into making the evening such a success.
