Dear St. Luke Auction Supporter:

On Saturday, January 26, 2013, St. Luke Parish held its 26th annual Auction and Dinner. The entire evening was a HUGE success and the funds raised will help offset the costs of St. Luke Parish.

This event would NOT have been successful without your effort and consideration. Your donation to the St. Luke 2013 Auction helped us net over \$16,000, surpassing our budgeted amount, and we want to say Thank You!

Every year this special event is the result of consolidated efforts of many energetic people from the parish who give of their time and talents to ensure an enjoyable evening. This major parish event would NOT happen without supporters like you who donate items and services to help us raise the funds necessary to defray the cost of parish activities, worship, outreach and formational programs.

Thank you for your 2013 donation to the St. Luke Auction. Thank you for supporting our parish and we hope you can support us again sometime in the future.

Sincerely,

Rev. Kenneth J. Augustine, Pastor &
